

**2018 – 2019 Season
Symphony Program
Student Handbook**

For students entering:
**Youth Symphony II
Concert Orchestra**

Revised June 2018

June 2018

Welcome!

Dear Student Musicians and Parents:

Congratulations and welcome to the Hawaii Youth Symphony's (HYS) 54th season. We commend your achievements in music and your year-long commitment to grow as a musician. Your presence affects absolutely everyone in the group. The orchestra's repertoire is based on the expectation that all members arrive fully prepared and focus diligently at rehearsals and performances.

Please read this handbook carefully and take its policies seriously; it covers our policies and procedures for financial aid, attendance, dress code, and more. HYS participation goes *beyond* advancement on your instrument. As an active participant in our programs, you will also be developing your sense of self-awareness, civility, and responsibility. We hope that you will become a steward for the future of music in Hawaii, and a role model to other youth, and thank you in advance for following this handbook.

We highly recommend you take private lessons—and participate in your school's program (if one exists)—to enhance and deepen your HYS experience. Partial financial assistance may be available for private lessons. For neighbor island students, HYS will pay a portion of travel costs to rehearsals.

We are looking forward to having you as part of our organization, and we wish you a successful and fulfilling season.

With aloha,

A handwritten signature in black ink that reads "Randy Wong". The signature is fluid and cursive, with the first name "Randy" and the last name "Wong" clearly legible.

ABOUT HYS

The **Hawaii Youth Symphony** (HYS) provides young people with quality music education, performance opportunities with high standards, and community service projects, advancing the critical links among music study, academic achievement and positive growth and development. HYS envisions a Hawaii where all young people benefit from music education and are able to develop their interests in instrumental music.

Who We Serve

HYS is a state-wide organization that includes students from more than 100 schools on different islands. Approximately 650 students enroll in our programs throughout the year. HYS is one of the country's largest youth symphony programs. In addition to our 7 orchestras, we also offer general music and beginning band classes through our Music in the Clubhouse partnership with the Boys & Girls Club for a minimal fee of \$25 for a year-long enrollment.

Community Performances

Among all the orchestras, HYS will perform more than 20 concerts this season. These performances include a Neighbor Island tour, special events, public concerts, and free "Listen & Learn" educational concerts for more than 10,000 of Hawaii's school children.

Costs

The overall cost for each student to participate in HYS is more than \$2,000—significantly more than what you'll pay for tuition (\$600-\$800). The balance of these costs is funded by corporate sponsorships, private foundations, fundraising activities, and individual donors such as friends and HYS parents. Every student benefits from HYS's fundraising.

Nonprofit Status

The Hawaii Youth Symphony has been incorporated since 1964 and is a 501(c)(3) nonprofit organization.

FINANCIAL AID

Thanks to the generosity of HYS community supporters, HYS is able to offer a financial assistance program—based on need—to help families with registration fees, instrument rentals and/or private lessons. Funds are distributed on a reimbursement basis. For families seeking assistance, please visit our website at www.HiYouthSymphony.org for more information about our financial aid program and to access our financial aid application. **You must register first before you apply for aid.**

INSTRUMENT LIABILITY

HYS claims no liability for student-owned instruments and highly recommends that parents obtain insurance through their homeowner's policy or other means. Students are responsible for keeping their instrument or other belongings safe during rehearsals and concerts. HYS is not responsible for damage or theft of your instrument or other belongings. Please do not leave instruments unattended or lying on chairs where they can be knocked off or damaged.

INSTRUMENT RENTAL

HYS offers string instruments for rent during the season, from September through May. Violins and violas are \$135 per season, and cellos and basses are \$180 per season. Summer Rentals, from June through August are available at \$45 and \$60 respectively. Call the office at 808-941-9706 to check availability and to schedule pick-ups. Percussion students: refer to page 8 for more information about using HYS percussion instruments. HYS also maintains a small collection of wind instruments, including some auxiliary instruments. Please inquire for details, pricing, and availability.

GENERAL INFORMATION

Schedules

Rehearsal schedules with times, dates, and locations will be available at the start of the season. Because HYS does not have its own rehearsal facilities, changes to dates and times may occur. These changes are unavoidable and so we appreciate your kokua throughout the season!

What to Bring to EVERY Rehearsal

Always bring your instrument, sheet music, pencil, eraser, and supplies: extra strings, reeds, mutes, donuts for cellos and basses. Brass players must bring a receptacle or newspaper and cloth for draining their instrument. Percussionists must remember to bring their own sticks and mallets. All YSII and CO students must bring their own music stand to every rehearsal.

Observing Rehearsals

Parents may observe rehearsals at the conductor's discretion, and if space and seating permits. However, we ask that parents please refrain from talking (including phone calls) as it is distracting to the students and conductor. Rehearsals with guest artists are closed; only students, Conductors, and Concert Parents are allowed.

Pick-Up

For safety reasons, students must be picked up **PROMPTLY** at the end of rehearsal. **Parents, please arrange to have your student picked up immediately after rehearsal** so our parent volunteers and Conductors are not inconvenienced. Adult supervision will be available only 15 minutes after a stated rehearsal time.

Please be considerate when picking up your student. **DO NOT** block the exits or entrances to the parking lot. Please drive into the parking lot and park in a designated stall to wait for your student to be released. Please adhere to parking lot rules. HYS will not be held liable or responsible for any parking citations.

Locations

Rehearsals are held at the facilities listed below. If a change is necessary, you will be sent an email in advance.

HYS provides a detailed schedule, at the start of the season, for your planning purposes. The fall semester is August-December 2018; the spring semester is January-May 2019, (April 2019) for Concert Orchestra).

ATTENDANCE POLICIES

Attendance is closely monitored by the Conductors & Concert Parents

Two (2) Absences Per Semester

Tardies: 2 Tardies = 1 Absence

Early Exit: 2 Early Exits = 1 Absence

After the second absence, parents and students may be notified by the Conductor as to the consequences of additional absences. Consequences may include demotion in seating, being barred from participating in concerts or tours, or expulsion. **The Conductor's decision is final.**

Check-In at Every Rehearsal

Each orchestra has parent volunteers called **Concert Parents**. Concert Parents assist the Operations Manager and the Conductor with monitoring student attendance, enforcing the Code of Conduct, and handling administrative duties. Concert Parents take attendance at **every** rehearsal. If any student needs to leave rehearsal early, the Concert Parents must be informed **before** rehearsal begins. If a student fails to check in and has not informed the Concert Parents of their absence, the Concert Parents will call the student's parents to verify the absence. Hawaii Youth Symphony will not be responsible for students who do not check-in. Upon the end of rehearsal, students are released from the care of Hawaii Youth Symphony and no check-out procedure is required.

Reporting an Absence

If a student has a schedule conflict with a rehearsal and (1) will be late for the rehearsal; or (2) will miss the rehearsal, **you must inform your Concert Parent directly, prior to the rehearsal.**

The Concert Parent email addresses are:

YSII – YS2@HiYouthSymphony.org.

CO – CO@HiYouthSymphony.org.

Please call the HYS office at 941-9706 only if you are unable to contact your Concert Parent. An excuse note, signed by a parent, must be turned in at the next rehearsal.

Schedule Updates & Changes

Schedule updates and changes will be communicated by (1) weekly emails from the Concert Parents; and (2) text message via the Remind Communication App. **It is the responsibility of the student/family to monitor these electronic communications weekly. All attendance policies apply to all rehearsals, even if the schedule has been changed via electronic communication.**

CODE OF CONDUCT

Out of respect for the conductors, other students, volunteers, and our organization as a whole, HYS must uphold a strict code for how students conduct themselves during rehearsals and performances. It is essential that students treat each other with respect and as equals; harassment, taunting, hazing, or other inappropriate behavior will not be tolerated at any time. HYS Concert Parents act on behalf of our conductors as enforcers of this Code of Conduct.

Non-Participation

Non-participation includes doing homework, reading, fooling around, playing video games, listening to portable music players, using a cell phone, texting, reading, sleeping, Facebooking, 'talking back,' etc. These types of behaviors will not be tolerated and will be strictly monitored, which may result in a warning, contacting of parents, or expulsion if the behavior continues.

Students who are caught using their electronic device during the rehearsal/concert will have their device taken away for the duration of the rehearsal/concert.

Facility Care

Because HYS does not have its own facilities, our rehearsals and concerts are held at partnering schools and other facilities. The use of these spaces is crucial to HYS: rehearsal space is difficult to find, given the size of our orchestras. Please show your appreciation and maturity by taking care of school property. There shall be **NO EATING, DRINKING, SMOKING OR CHEWING GUM**. Be considerate and respectful in the rehearsal rooms, bathrooms and on the school grounds. All brass players **MUST** bring a receptacle or newspaper **AND** a cloth to use when draining your instrument. You may **NOT** empty your instruments directly on band room carpets or stage floors/risers. Additionally, shoes must be removed before entering the University Laboratory School Band Room. Please refer any questions about the facilities to the concert parents.

Music

Each student must bring his/her own music. Do not depend on your stand partner.

A standard dress code is needed to provide a formal, uniform look that does not detract from the performance of the music or draw attention to the individual.

NOTES FOR PERCUSSION STUDENTS/FAMILIES

Percussion Usage (Refundable Deposit)

Thanks to a combination of HYS's own percussion inventory, and partnerships with rehearsal and concert venues, Symphony Program students have access to nearly all the percussion equipment needed throughout the season. With respect to the normal wear and tear incurred on instruments throughout the season, as well as special beaters and other instruments provided by HYS, percussion students will be held responsible and accountable for the instruments they use.

Beginning this year, percussion students will need to pay a \$150 refundable deposit to HYS for use of the percussion equipment. The deposit will be refunded after the last performance, provided the equipment is returned in working condition. Students are also tasked with the responsible setup, breakdown, and basic care for percussion instruments at each rehearsal, special rehearsal, workshop, or concert they attend.

Additionally, HYS requests that all percussion parents help with instrument movement (labor involves heavy lifting) to/from the HYS office for each concert, supervised and coordinated by the Operations Manager.

Mallets/Accessories to Bring to Each Rehearsal

Snare

- 1 pair orchestral (NOT marching) snare sticks (Vic Firth SD1, Innovative Percussion CL-1, or similar)

Timpani

- 1 pair general mallets (Vic Firth T1 or GEN5, Innovative Percussion GT2, or similar)
- 1 pair hard mallets (Vic Firth T3, Innovative Percussion GT4, or similar)

Xylophone

- 1 pair medium rubber mallets (Malletech BB34 Becker Blue or similar)

Glockenspiel

- 1 pair Lexan mallets (Innovative Percussion OS5 or similar)
- 1 pair brass mallets (Balter G5 Round Brass mallets or similar)

Optional Mallets:

Timpani

- 1 pair roller mallets (Vic Firth T2 or GEN1, Innovative Percussion GT1, or similar)
- 1 pair ultra staccato mallets (Vic Firth T4, Innovative Percussion GT5, or similar)

Suspended Cymbal

Marimba/Vibes

- 2 pairs Balter Basics BB2 Medium (entry level/budget), or 2 pairs Innovative Percussion IP240 Soloist Series Medium Marimba (step up/advanced)

Percussion Footwear

Men and women must wear black, flat, RUBBER soled shoes. We have heard audience concerns about distracting noises as percussion students move back and forth on the risers. Since there can be a lot of movement, depending on the piece, we are asking all percussion students to wear flat, rubber-soled shoes to minimize the noise factor.
