Dear Musician and Parents:

Congratulations and welcome to the Hawaii Youth Symphony's (HYS) 54th season. You are to be commended for your efforts and achievements in music. We're excited about the season ahead and helping you expand your musical potential. Registration means a year-long commitment. Everyone in your group will be depending on you. You will need to prepare for and attend rehearsals diligently. The orchestra's repertoire is selected and concerts are scheduled on that expectation.

Please read this handbook carefully. It outlines what you need to know in order to benefit from the program. You will find the season schedule, attendance policy, dress codes, financial aid information, rehearsal locations, and more.

Deciding to enroll in our string academy program requires an obligation not only to oneself, but to the other members of the orchestras and the conductors. It is not fair to others if there are numerous absences, tardies and early releases. Therefore, this year a new policy will be enforced. Please review the attendance policy of this handbook before registering for our classes.

HYS offers young musicians from all over Hawaii unique opportunities for performances, studies, and advancement on their instrument. We highly encourage Concert String Orchestra and String Orchestra Ensemble students to study with a private teacher. Partial financial assistance may be available for private lessons.

On behalf of all our conductors and the office staff, we wish you a very successful year. Thank you again for your commitment to the Hawaii Youth Symphony.

With aloha,

Talia Turnbull
Academy Program Coordinator

Music Director

About Hawaii Youth Symphony

Mission

The **Hawaii Youth Symphony** advances critical and positive links between music study, academic achievement, and social emotional development with programs that service youth through orchestral music education, performance opportunities, and community engagement. HYS envisions a Hawaii where every young person can experience the timeless value of music, learn to play a musical instrument, or otherwise embrace a lifelong appreciation for musical learning.

Student Participation

HYS is a state-wide organization that includes students from nearly 100 schools on different islands. Approximately 450 students comprise three full orchestras and four string orchestras during the regular season. An additional 200 students participate in HYS' summer programs.

Costs

The overall cost for each student to participate in HYS is **more than \$1,500**, significantly more than the registration fee of **\$420-435**. The balance of these costs are funded by corporate sponsorships, private foundations, fundraising activities, and individual donors such as friends and HYS parents.

Nonprofit Status

Hawaii Youth Symphony has been incorporated since 1964 and is a 501(c) (3) non-profit organization.

Financial Aid

Thanks to the generosity of HYS community supporters, HYS is able to offer a financial assistance program—based on need—to help families with registration fees, instrument rentals and/or private lessons. Funds are distributed on a reimbursement basis. For families seeking assistance, please visit our website at www.HiYouthSymphony.org for more information about our financial aid program and to access our financial aid application. **You must register first before you apply for aid.**

Rehearsal Information Cont.

WHEN YOU GET TO REHEARSAL...

When you arrive at the Boys and Girls Club you must check-in with your Boys & Girls Club Membership Card at the front desk. Membership Cards are required for entry at each rehearsal. You will be charged \$1.00 each time you forget your membership card. If your membership card is lost, you will be charged \$5.00 for a replacement card.

Classes are located on the 2nd floor. Please take your seat immediately in the rehearsal room so attendance can be taken and instruments can be tuned. If a student needs to leave early from rehearsal, the conductor or concert parent must be informed BEFORE rehearsal begins. (See page 7, "Reporting Absences.")

WHILE ATTENDING A HYS REHEARSAL...

No eating, drinking or chewing gum will be allowed. We must enforce the club policies regarding these issues. Please be very considerate, not only in the rehearsal rooms, but also in the bathrooms and around the grounds. Please KOKUA by helping to pick up the large pieces of litter. If we are deemed responsible for the trash, we may lose the privilege of using the Boys and Girls Club of Hawaii as our rehearsal site. The use of these facilities are donated to HYS each year free of charge. This kind of generosity is hard to find and it helps us keep registration costs low. Please show appreciation by taking care of their property.

REMEMBER YOUR MUSIC AND SUPPLIES!!

Every student must bring his/her own music, instrument, pencil, notebook, extra strings, rosin, and donuts (for cellos & basses). Do not depend on your stand partner to bring music for you to use.

Attendance Policy

Attendance is taken at EVERY rehearsal and is closely monitored by the Academy Coordinator and Conductors.

HYS provides you with a schedule at the start of the season so that you can plan accordingly. The FALL SEMESTER runs from September to December 2018 and the SPRING SEMESTER runs from January to April 2019.

Only two (2) absences per semester are allowed.

After two (2) absences, there may be a demotion in seating. After four (4) absences, you may be asked to sit out of the semester concert at the discretion of your conductor. The conductors and coordinator's decisions are final. Please note that the absence summaries are forwarded to the upper orchestras and may affect your acceptance into those groups.

REPORTING ABSENCES

To report absences, tardies or early exits, send an email to Talia Turnbull at **academy.strings@hiyouthsymphony.org**, or call the HYS office at 941-9706. If, due to unforeseen circumstances, you will be absent and can't notify HYS prior to rehearsal, you may leave a detailed voicemail message after hours at the HYS office at 941-9706.

If a student needs to leave rehearsal early, the conductor or a concert parent must be informed **BEFORE** rehearsal begins (for liability purposes).

DISRUPTIVE BEHAVIOR

To provide a positive learning environment for students and conductors, disruptive or disrespectful behavior will not be tolerated. If a student should exhibit such behavior, he/she may be asked to leave the class.

Beyond the String Program

Concert String Orchestra, String Orchestra Ensemble, Intermediate String Ensemble, and Beginning String Ensemble are considered the "String Program" within the HYS Academy, our early-learning music institute. The Academy services students, ages 8-18 years, by providing beginning to advanced-intermediate instrument instruction. The Academy also offers a general music program and a beginning band program.

In addition to the HYS Academy, we have three Symphony Orchestra Programs for string, woodwind, brass and percussion instruments. Auditions for these three groups are held in May each year. Our most advanced group, for students 13 years and older, is Youth Symphony I (YSI). Our second full orchestra for students 12 years and older is Youth Symphony II (YSII). Finally, our third full orchestra for students 10 years and older is Concert Orchestra (CO).

In addition to performing in two concerts this season, HYS highly recommends that our String Program students attend YSI, YSII and CO concerts whenever possible. This is a great way to observe older musicians who started out just like you did!

Enjoy Making Music!
